## Dave's Chicken & Seafood

2603 Eglinton Ave. W | 647-352-1125

EXPERIENCE  
EGLINTON 

Dave's Chicken & Seafood opened in the Keele Street and Eglinton West area in 2015. Owner Kabir chose the location to bring a comfortable, sit-down style restaurant to the neighbourhood. Kabir also owns restaurants of the same name in Brampton and Mississauga.

A chef from the United Kingdom, Kabir moved to Toronto because of its diversity. Kabir purchased Dave's Chicken recipe but he also

incorporates his own Indian flavours in the seafood.

The Dave's Chicken recipe has been around for 40 years. The recipe calls for the use of a modern pressure system that locks in the natural juices as it deep fries the chicken. Kabir's personal favourite, however, is the classic burger.

Dave's Chicken serves daily specials such as three pieces of chicken and fries for only \$4.99 on Thursdays and fish and chips for \$5.99 on Fridays.

"We're open!" says Kabir. "Come try our chicken."
